About HOST 2021

The IEEE International Symposium on Hardware-Oriented Security and Trust (HOST) is recognized as the worldwide venue for researchers and practitioners to advance knowledge and technologies related to hardware security and assurance. The 14th annual HOST will be held 12–15 December in Washington, D.C.

Whether you are showcasing new products and services or recruiting new talent, HOST 2021 is where the international hardware and test community looks for what’s coming next—providing an opportunity to highlight what your company has to offer to influencers and decision makers.

Contributions to HOST have come from multiple communities, including:

- Semiconductor design, test, and failure analysis
- Computer architecture
- Systems security
- Cryptography and cryptanalysis
- Imaging and microscopy

Why Become a Supporter?

REACH HIGH-VALUE CONTACTS:

The HOST event and community owe their success in part to the generosity of industrial and government sponsors. HOST provides impactful opportunities for sponsors to support the community while gaining exposure for their brand.

SPONSOR BENEFITS INCLUDE:

• Position your company as a leader in the services space by showcasing your innovations
• Connect with international experts and influencers who can evaluate your products and influence their adoption
• Reinforce your brand on a global stage
• Meet conference participants from around the world—potential customers and collaborators—and leading researchers from government, academic, and industry
• Creating opportunities to recruit top tech talent – build relationships with in-demand professionals.
• Ensuring continued exposure to thousands by being listed as a sponsoring company in the published proceedings, hosted on IEEE Xplore®.

SUPPORT THE COMMUNITY:

• Promote diversity
• Provide opportunities for student professional development
• Acknowledge and reward top student and researcher contributions
• Help raise awareness of hardware security and trust issues

HOST attracts decision-makers looking for the next generation of products, solutions, networking, and advanced-industry perspectives. Put yourself in the position to meet them at HOST21!
